## **Reasons for Allowance**

Claims 1-11 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites, an optical scanner comprising:

A plug in calibration film coupled to the optical scanner, wherein the plug in calibration film is configured to transmit at least a portion of the image signals; and

At least one attachment for the plug in calibration film formed on the optical chassis.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
